to welcome... accueillir...

# dar información

to give information

renseigner

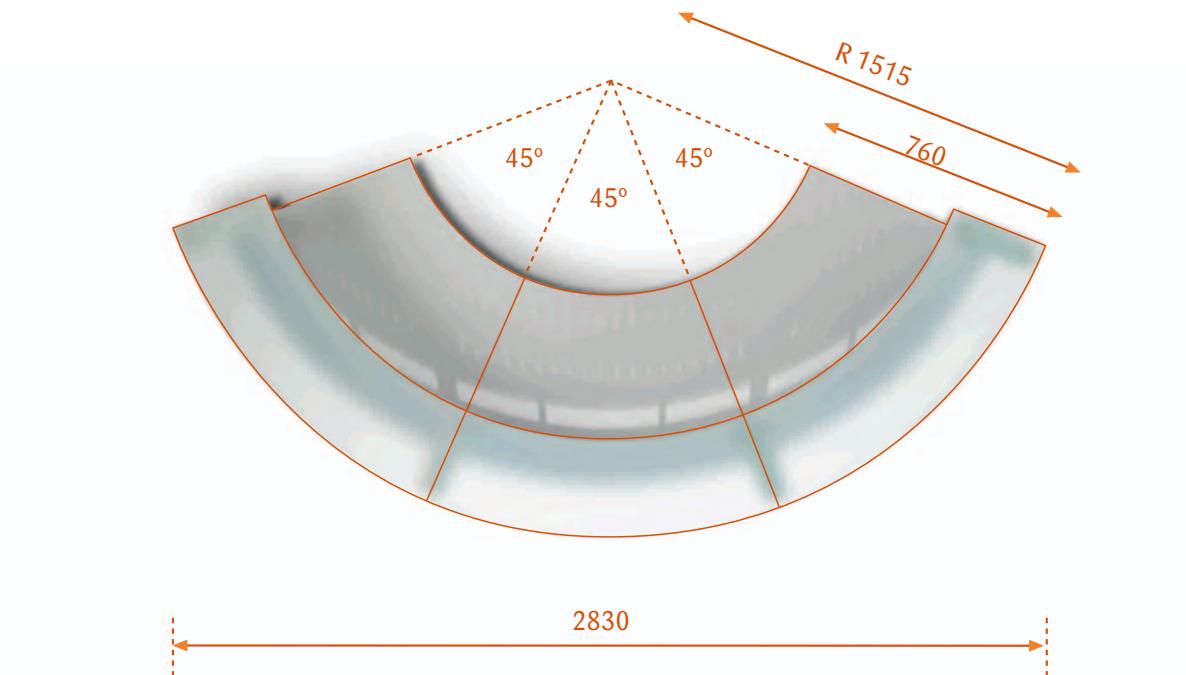

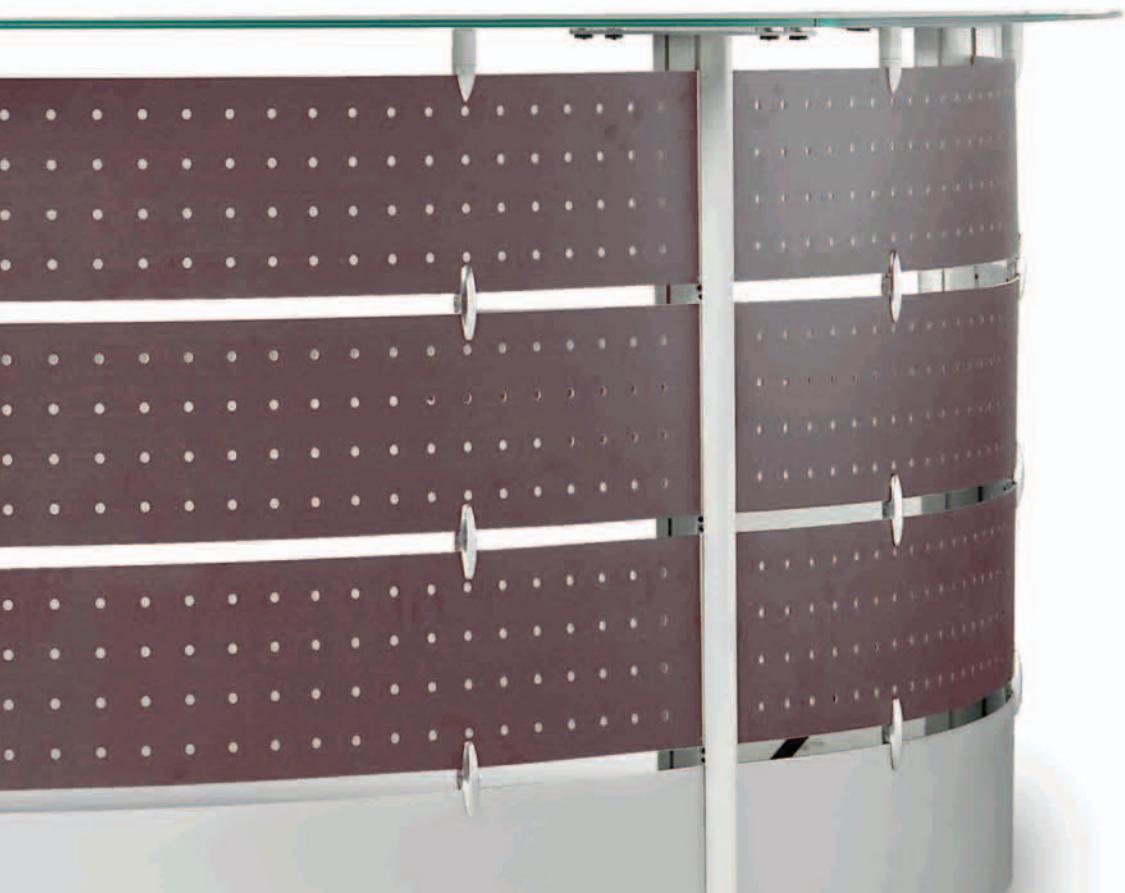

# satisfacer un deseo

to satisfy a desire

assouvir une très vive envie

atender

to attend      s'occuper de quelqu'un

tener en cuenta  
o en consideración

to take into account or into consideration      sans oublier personne

diversia

La Recepción DIVERSIA ha sido desarrollada para dar al usuario todas las posibilidades y opciones en cuanto a la configuración de espacios de atención en las empresas y oficinas.

Completo programa de diseño vanguardista, compuesto por una amplia gama de módulos rectos y curvos (cóncavos y convexos) de diferentes dimensiones, incluyendo los módulos de Atención Personalizada, permitiendo crear cualquier tipo de composición. Combina materiales como aluminio, acero, acero inox., madera, laminados, estratificados y vidrio templado.

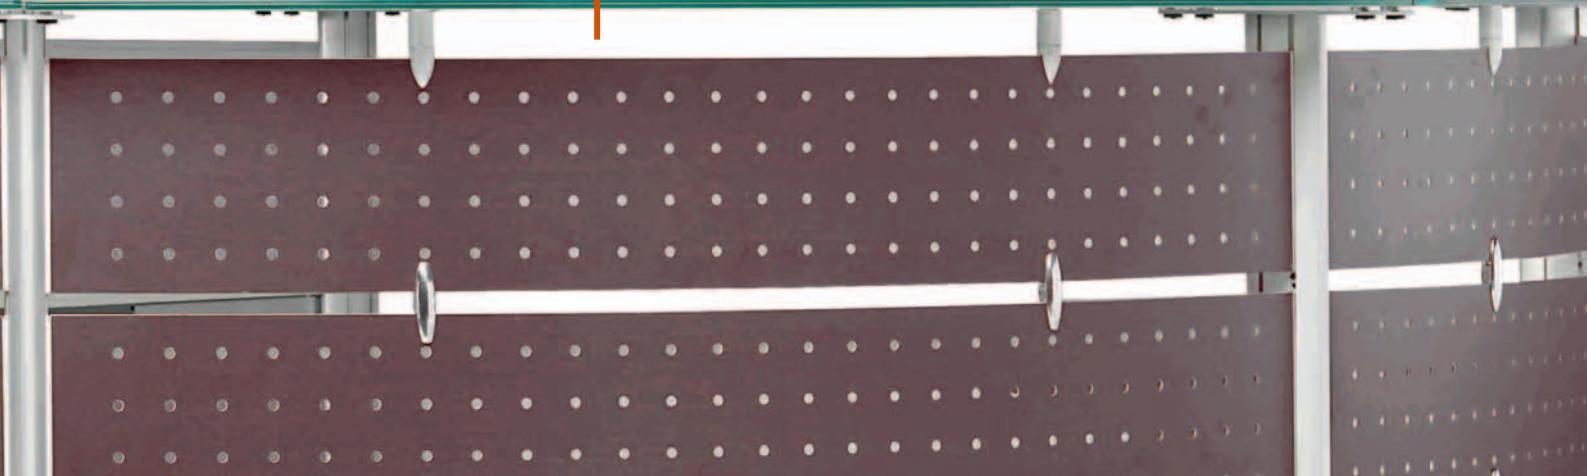

The DIVERSIA reception has been developed to offer the user all the possibilities and options in the configuration of attention areas in companies and offices.

It is a complete programme of avant-garde design, composed of a wide range of modules straight and curved (concave and convex) of different dimensions, including the Individual-Attention modules, allowing any type of composition. Combines materials as aluminium, steel, inox. steel, wood, laminates and tempered glass.

Le Comptoir DIVERSIA a été développé pour permettre de rendre à l'utilisateur toute une série d'options, des choix différents en ce qui concerne la configuration des espaces d'accueil autant dans les entreprises que dans les bureaux.

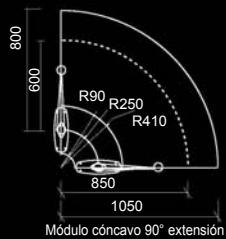

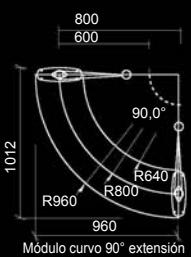

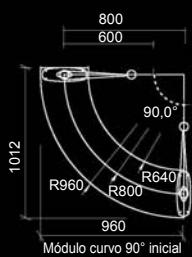

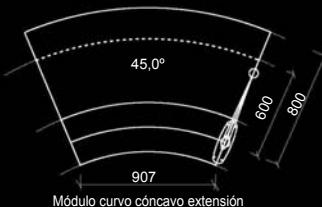

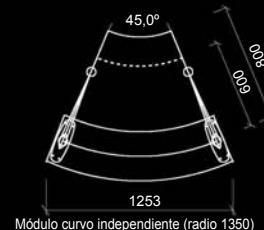

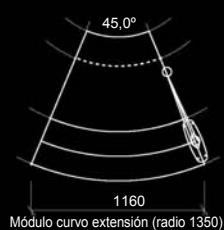

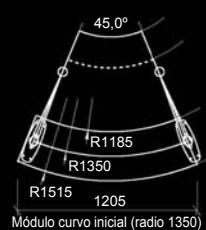

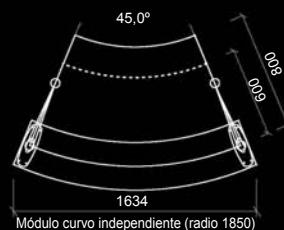

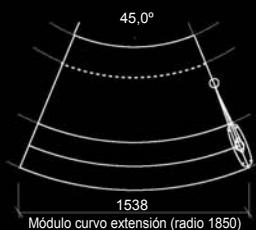

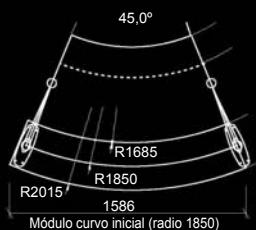

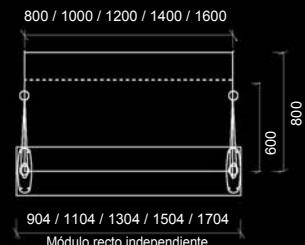

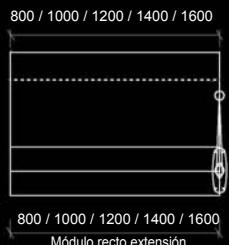

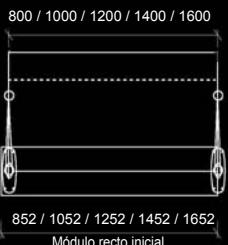

Il s'agit d'un programme de design d'avant-garde Complet formé d'une vaste gamme de modules droits comme courbés (concaves ainsi que convexes) permettant de différentes dimensions, sans oublier les modules d'Accueil Bas qui offrent la possibilité de créer tout genre de composition. Ce programme sait combiner des matériaux tels que l'aluminium, l'acier, l'acier inox, le bois, les laminés, les stratifiés et le verre-trempé.
